

Our Purpose Statement

Our vision:

To inspire and empower our community to prosper through innovation.

Our Mission:

- We prepare students for life and work in the 21st Century.
- We develop the capabilities our students need for a world of change, opportunity, and risk
- We strive for excellence in all that we do
- We support students to access their preferred educational and vocational pathways
- We actively work to enhance the life of our community

Our values:

- Respect
- Success
- Creativity

Our Strategic Directions:

1. Design and develop a future orientated school
2. Develop teaching and learning practices that mee the different learning styles and ambitions of each student
3. Develop a collaborative student-centred learning culture
4. Develop sustainable relationships with parents, carers, industry and the community
