OUR VISION

To inspire and empower our community to prosper through innovation.

OUR MISSION

We prepare our students for life and work in the 21st century.

We develop the capabilities our students need for a world of change, opportunity & risk.

We strive for excellence in the things that we do.

We support students to access their preferred educational & vocational pathway.

We actively work to enhance the life of our community.

FUTURE PATHWAYS

Craigmore High School offers opportunities for students to explore career pathways through interactions with guest speakers, career expos, taster programs and work experience opportunities. These will start in year 7 and continue throughout the students' schooling.

We offer university pathways and work with an Industry Engagement Consultant to support our students in gaining both school based and flexible apprenticeships. We offer Vocational Education and Training (VET) programs in a wide variety of industries ensuring that they have the opportunity to gain Certificate level qualifications before leaving education and entering the workforce.
